

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF VIRGINIA  
Richmond Division

Case No. 3:17 cv 590

ZEBEDEE Milby

Plaintiff

vs.

RENEWED MOTION FOR  
RELIEF FROM ARREST  
OF JUDGMENT FRCP 60(b)

OFFICE OF THE FEDERAL  
REGISTRAR,

Defendants

COMES NOW ZEBEDEE MILBY, Plaintiff pro se, hereby  
Renewing his Motion For Relief From Arrest of Judgment,  
According U.S. District Court Judge M. Hannah, and U.S.  
District Court Clerk leave to rescind and correct their  
unlawful actions/inactions and make straight the way of  
Justice as Mandated by Federal Rules of Civil procedure  
as well as Constitutional procedural Requisites.

- I that a candid Review of all Motion(s) associated herewith  
undoubtedly Reveal a prima facie case of Repeated judicial tyranny  
sua sponte and CRUCIFIXION of this pro se plaintiff's fundamental  
procedural Rights without justification.
- II that said actions/inactions further give Rise to Reflect a  
Repeated willingness mens rea of judicial impropriety governed  
by what appears to be a spirit of conscious obstruction, disobedience  
and abuse of discretion by Judge Hannah & the clerk of court,  
what clearly violate the spirit and letter of law and constitutionality  
in such a manner so as to necessitate Recusal and Re-assignment  
re-hearing of this matter per mandated due process proceedings.
- III that in light of the foregoing this plaintiff Renews Motion(s)  
for same, and Relief/ARREST of JUDGMENT in re: Judge  
Hannah's Final ORDER of 5/31/18, so Moved and RENEWED.

IV that for the sake of brevity and to avoid unnecessary repetition, plaintiff directs this court's attention to the subject matter of the following motion(s) of record:  
attached hereto and incorporated by reference as Exhibits A & B:  
1). NOTICE OF ADMONISHMENT - March 7, 2018  
2). MOTION FOR RELIEF FROM JUDGMENT - May 29, 2018

V that circumstances of this matter further expose a ploy to completely side-step and obstruct review of this plaintiff's constitutional challenge, and on one hand utilize legal particulars of Federal Rules of Civil Procedure as the bases to dismiss this case; while on the other hand completely ignoring the very same FRCP Rules giving rise as to what must be done with respect to a clearly defined constitutional challenge as before the court.

WHEREFORE it is an evil day for American liberty if the arbitrary conduct of court officials outside supreme law and rules (as herein) finds lodgment in our constitutional jurisprudence. No higher duty rests upon this court than to exert its full authority to prevent all violations of the principles of the constitution and rule of law. *Dowds vs. Bidwell*, 182 U.S. 244 (1901).

In light of the foregoing this plaintiff is entitled to the relief requested as a matter of LAW

Respectfully submitted

this 20<sup>th</sup> day of June 2018
